

Fleet Ibex Open Shoot 14th August 2022

The Ken Dendle Trophy

We had almost 100 archers attend our annual August Open shoot which incorporated the competition for the Ken Dendle Trophy. The weather was stunning and amongst the trees of our woods, was not too uncomfortable. Even so, the club provided a free water station halfway round the longest loop.

Some great course setting made it a thoroughly enjoyable day – with 40 3D targets set out in three loops.

The overall winner of the Ken Dendle Trophy (on a handicap basis) was Linda Palmer (Ladies HT) with Neil Sargent (Gents BB) in second place and Dave Andrews (Gents BH) and Allen Grayson (Gents HT) in joint third.

The list of medal winners is attached to this report with the full results published on our web site.
