

Fleet Ibex – The Clive Freemantle Memorial Shoot – 22nd May 2022

It was almost 3 years since our last open shoot (August 2019) and so it was great to welcome back all our friends after such a long delay. 140 archers shot around 41 3D targets (the extra one was from the “Predator and Prey target”) and from the comments we received at the time and afterwards, all seemed to thoroughly enjoy themselves.

This Open Shoot was dedicated to Clive Freemantle – a former member who sadly passed away too early. The Clive Freemantle Trophy was awarded to the winner of the Unlimited Class (the class in which Clive competed) – Owen Blackmore from the South Wilts club.

This year we also awarded two other perpetual trophies which had been donated by previous members of the Black Prince Bowmen. These were awarded to the Gents and Ladies winners of the Longbow Class – Ken Payne of Magic Dragon and Karen Freeman of the Company of Sixty.

Many congratulations to these winners and to all the medallists in the other classes.

The winners: (From Left)
Ken Payne (LB), Owen Blackmore (U/L) Karen Freeman (LB)
